

## **ITTI Joins China Hi – Tech Fair Elexcon**

**FOR IMMEDIATE RELEASE**

**HONG KONG -3<sup>rd</sup> Nov, 2010**

We are delighted to announce that ITTI will be participating in the China Hi-Tech Elexcon 2010, Shenzhen Convention and Exhibition Centre Hall 2, Shenzhen from 16<sup>th</sup> to 21<sup>st</sup> November 2010.

China Hi-Tech Elexcon 2010 is considered to be China's dominating tradeshow of electronic Components, materials & Assembly including electronic components, electronic material, PCB, manufacturing device and test certification service.

China Hi-Tech Elexcon 2010 focuses on the topics of Power efficiency technology and new energies; automotive electronics; industrial & consumer electronics, and mobile phone and communication infrastructure.

We shall be displaying our latest products and seize every business opportunity in the future. For more information of ITTI, visit us at booth number 2F36.

**About ITTI:** Founded in 1995, ITTI has been offering a wide range of quartz crystals, crystal oscillators, VCXOs, TCXOs, SAW resonators, filters and ceramic resonators in order to assist and meet engineers' toughest frequency control needs. ITTI's products are easily reached and offered directly through regional manufacturers' representatives and franchised distributors. The company is ISO-9000 and ISO-14000 certified with facilities in China, Japan, Korea, Singapore, Taiwan, and the USA.
