

ITTI Joins the Computex Taipei 2010

FOR IMMEDIATE RELEASE

HONG KONG - 23rd April, 2010

We are delighted to announce that ITTI will be participating in the 2010 Computex Taipei at NanGang Exhibition Hall, Taipei from 1st June through 5th June.

Computex Taipei is the largest computer exhibition in Asia which features a great number of exhibitors, analysts and journalists to explore and discuss the latest technologies, developments and market trends in the computer industry.

The exhibition aims at providing a platform for the industry manufacturers to gather information as well as business opportunities.

For more information of ITTI, visit us at booth number M329 and M331.

About ITTI: Founded in 1995, ITTI has been offering a wide range of quartz crystals, crystal oscillators, VCXOs, TCXOs, SAW resonators, filters and ceramic resonators in order to assist and meet engineers' toughest frequency control needs. ITTI's products are easily reached and offered directly through regional manufacturers' representatives and franchised distributors. The company is ISO-9000 and ISO-14000 certified with facilities in China, Japan, Korea, Singapore, Taiwan, and the USA.
