

ITTI Joins the Electronics WEST 2011

FOR IMMEDIATE RELEASE

HONG KONG – 10th December 2010

ITTI will be present at the Electronics WEST 2011, Anaheim Convention Center, 800 W. Katella Avenue Anaheim, CA 92802, USA, from 8th to 10th February 2011.

Electronics WEST is an international leading trade fair for components, systems and application for the latest trends and technologies. It plays the role of Industry's global information platform and provides opportunities for new growth, and seizes the initiative for new growth.

It is a great pleasure to present our latest development and products at Hall E, Booth# 447, Anaheim Convention Center.

About ITTI: Founded in 1995, ITTI has been offering a wide range of quartz crystals, crystal oscillators, VCXOs, TCXOs, SAW resonators, filters and ceramic resonators in order to assist and meet engineers' toughest frequency control needs. ITTI's products are easily reached and offered directly through regional manufacturers' representatives and franchised distributors. The company is ISO-9000 and ISO-14000 certified with facilities in China, Japan, Korea, Singapore, Taiwan, and the USA.
