

ITTI joins CEATEC Japan 2013

FOR IMMEDIATE RELEASE
HONG KONG - 27th Aug, 2013

ITTI is delighted to announce that ITTI will be participating in the CEATEC Japan 2013 in Makuhari Messe, Tokyo from 1st to 5th October 2013.

CEATEC is an annual trade show in Japan. It is regarded as the Japanese equivalent of Consumer Electronics Show. It is Japan's largest IT and electronics exhibition and conference.

CEATEC provides a platform for companies and organizations from all over the world to showcase their cutting-edge products, services and technologies. The event also serves as key industry networking and information-gathering opportunity, with numerous seminars and other activities offered during the fair.

We shall be displaying our latest products and seize every business opportunity in the future. For more information of ITTI, visit us at **booth number: 3B52**

About ITTI: Founded in 1995, ITTI has been offering a wide range of quartz crystals, crystal oscillators, VCXOs, TCXOs, SAW resonators, filters and ceramic resonators in order to assist and meet engineers' toughest frequency control needs. ITTI's products are easily reached and offered directly through regional manufacturers' representatives and franchised distributors. The company is ISO-9000 and ISO-14000 certified with facilities in China, Japan, Korea, Singapore, Taiwan, and the USA.
